

## Notice Regarding Public Participation

Due to the COVID-19 (coronavirus) public health emergency, and in an effort to reduce in-person meetings that assemble large groups of people, Governor Greg Abbott has granted a temporary suspension of certain rules to allow for (1) board members and employees to participate in meetings via videoconference call or other remote electronic means without a physical quorum of board members being present at the site of the meeting; and (2) the use of videoconferencing and other remote means to allow the public to observe the meeting and, when required, to participate in the public meeting.

In an effort to reduce the spread of the virus, for the August 10, 2020, Economic Development Corporation meeting, individuals will be able to address the Board on any topic through submission of the web form below. Forms received will be recorded into the record and be given to the Board Members.

To access the videoconference online, follow these instructions:
